Product Technical Bulletin

Product Name: SCOTT* Multi-Fold Hand Towel

Description:

Paper towels that are dispensed one at a time so they're touched only by the user, dry your hands hygienically and effectively, and help reduce costs and waste. Ideal for: nurse's stations, food contact areas and busy washrooms in offices, hospitals and public venues; dispensing effectively through Kimberly-Clark AQUARIUS dispensers.

Manufactured using AIRFLEX® Technology, the soft textile-like feel & appearance offers superior absorbency and strength, meaning fewer towels are needed to dry hands without breaking up when wet.
