

KLEENEX® Moisturising Instant Hand Sanitiser

Highly effective, yet gentle on hands

Maximise worker hand hygiene compliance with KLEENEX® Moisturising Instant Hand Sanitiser. It's gentle moisturising formulation has been developed specifically for frequent use in food processing and food service environments where the highest standards of both worker hand hygiene and skin care are required.

Maximise hand hygiene compliance

- ▶ Moisturising formulation containing Aloe Vera, Vitamin E and Vitamin B helps prevent dryness caused by frequent use
- ▶ Fragrance and dye free formulation reduces risk of skin irritation making it suitable for use on sensitive skin
- ▶ Compatible with both Latex and Nitrile Gloves means a separate product is not required for glove wearers

Prevent cross contamination

- ▶ Highly effective formulation kills 99.9% of bacteria reducing the risk of cross contamination
- ▶ Fragrance and dye free formulation contains no ingredients that could taint food, making it safe for all types of food handling environments
- ▶ Meets regulatory requirements for food related industries including AQIS & HACCP

Eco friendly

- ▶ Bio-based ethanol is derived from a renewable source making this an environmentally safe option
- ▶ Reduction in waste as bottles and cassettes can be recycled after removal of pump
