Quality  
finishing  
where it's  
needed most

**Kimberly-Clark Professional** have a range of stainless steel washroom dispensers that reflect a commitment to both contemporary design requirements and the highest standards of hygiene and performance.

Elegant curves and slim profiles, combine to provide a discrete, high capacity public washroom system. Performance features of the quality, stainless steel dispensers include:

- vandal resistance
- lockable to deter pilferage
- easy maintenance and top-ups to reduce servicing time
- specifically manufactured to house and dispense quality KLEENEX® products

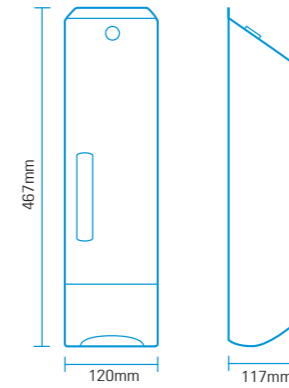

Printable schematics and dispenser images available online:
